Message from the CEO

Some financial highlights from this year's annual meeting:

- Number of memberships at the credit union: 10,245
- Number of new memberships in 2018: 919
- Amount of loans originated in 2018: \$21,164,459.00

Our credit union is still growing after 68 years.

What is also growing is the amount of fraud that we see happening to our members either over the phone or in the mail. We have had members getting checks in the mail that are fake; we have had members get contacted by phone letting them know they won lots of money IF they send money back to the person. Please remember if you get checks in the mail you are not expecting, they are probably fake and you will end up responsible for the money if you cash them or put them in your account. If you are not sure if an item is fake or you think you are being scammed, give us a call and we can help you figure it out.

Patty Preuss
CEO
