## Message from the CEO

We have started this year off with a bang! As we continue to build our team for the future you'll continue to see us hiring more qualified individuals to bring you the best service in the business. You'll also see us being much more active in the social media world as we've hired a marketing and community relations person who is stepping our game up. We've also expanded our products and services in our Mortgage department to better serve you as our members. We know not everyone has 20% to put down on a future home of their dreams, so we want to accommodate those members, now we can! We have a lot going on in 2023, and we can't wait to share with you everything as we grow together.

**Kyle Gurzynski**  
CEO
