### Message from the CEO

I hope this message finds you and your family healthy and happy. I would like to thank all our members for their patience and understanding while we worked through 2020. I'd like to reassure everyone our credit union remains strong and we are still in a good financial position. You will find a new fee schedule in with this newsletter. Most financial institutions send you new fee schedules because they only increase their fees. I'd like to point out that even though we have adjusted some of our fees, I'd like you to also note that we have also eliminated and reduced some of our fees.

On behalf of our Board of Directors and the employees of our credit union, I wish you a Happy New Year!
